PUBLIC NOTICE

AV.14027/AAC/2012-AT-1

1st January 2019

Subject: Mandatory equipage of GAGAN on the aircraft to be registered in India – Postponement of Timeline.

In pursuance with sub-para (d) of Para 14 of National Civil Aviation Policy-2016, which stipulates, “*All aircraft being registered in India from 1st January 2019 will mandatorily have to be GAGAN enabled*”, DGCA issued a public notice dated 23rd August 2017 regarding mandatory equipage of GAGAN on the aircraft to be registered in India with effect from 1st January 2019.

In this regard it is to inform all concerned that the Competent Authority has decided to postpone the deadline to 30th June 2020.

Accordingly, all the aircraft being imported for registration on or after 30.06.2020 shall be required to be suitably equipped with GAGAN equipment.
