

GOVERNMENT OF INDIA
OFFICE OF THE DIRECTOR GENERAL OF CIVIL AVIATION
OPP. SAFDARJUNG AIRPORT, NEW DELHI – 110 003

File No. AV 22036/26/Heli/2014-FSD
Dated: 30th October, 2014

PUBLIC NOTICE

Subject : Renewal Of Special VFR Training

Subsequent to promulgation of CAR Section 8 Series H Part I, all helicopter pilots desirous of renewing/ obtaining Special VFR clearance need to undergo Procedures Training as stipulated vide para 30.2 of Part 2 Subpart E of the ibid CAR.

Training establishments, which used to conduct Special VFR ground training heretofore, are actively working towards updating their training curriculum as stipulated for Procedure Training. DGCA is actively monitoring this transition of the training curriculum and formal approval for conduct of Procedures Training is expected to be accorded shortly.

However, in order to ensure that operators/ pilots do not suffer any inconvenience especially in view of the forthcoming poor visibility season, the following has been decided: -

1. Pilots whose Special VFR clearance has expired or is due for renewal by 31st December 2014 are permitted to continue exercising Special VFR privileges till 31st January 2015.
2. Pilots whose Special VFR clearance is current as on 01st January 2015 are to undergo the stipulated training and obtain renewal of Special VFR clearance as per their existing renewal cycle i.e. prior to lapse of their existing clearance.

Director General of Civil Aviation
