PUBLIC NOTICE

28th September, 2016

Subject: Prohibition for use of Samsung Galaxy Note 7 Mobile Phone on Board Aircraft.

In the light of recent incidents and concerns raised by Samsung about its Galaxy Note 7 devices. Travelling public and airlines are advised to ensure the following in respect of Samsung Galaxy Note 7 purchased before 15th September 2016 which have been recalled by Samsung and have white battery charge indication on their screen.

1. Not to turn on or charge Samsung Galaxy Note 7 mobile phone on board the aircraft.
2. Not to stow them in any checked-in baggage.

The above restrictions do not apply to Samsung Galaxy Note 7 purchased after 15th September 2016, which have green battery charge indication on their screen.

(Usha Padhee)

Director General of Civil Aviation
